

RODION KORSHUNOV

Java Developer

0401063810 | rodionk533@gmail.com | NSW, Sydney

PROFILE SUMMARY

I am a student finishing my second year at university and seeking opportunities in the field of Software Design and Development to apply my programming skills and contribute to the development of software projects. I am eager to gain more experience, and I am not afraid of challenges. I am open to discussing any working conditions! I hold a **Student visa (subclass: 500)** with full working rights during holidays and can work 24 hours a week at other times.

SKILLS

- OC Windows
- Java
- Spring Core / Spring Boot
- Git
- Unity
- Figma

Web technologies:

- HTML & CSS
- JavaScript
- JQuery
- HTTP(s)
- TCP/IP
- API

Databases:

- SQL / MySQL
- Interaction between Spring boot and Hibernate

Project assemblers:

- Maven

Algorithms and data structures:

- Sorting algorithms
- Search algorithms
- Multithreading
- Abstract data structures

Architecture and design:

- Programming paradigms
- Design patterns
- Clean Code

Soft Skills:

- Clear and concise communication
- Attention to detail
- Creativity and out-of-the-box thinking
- Willingness to learn
- Flexible and adaptable to changing work conditions
- Ability to work independently and take initiative
- Knowledge of **Russian** at a native level.

EDUCATION

Education:

- Macquarie University, Bachelor of Gaming Design and Development 2'nd year, NSW, Sydney 2023 - Present
- The Forest High School, Year 10-12, Sydney, Australia 2020 - 2022

Key achievements:

- Certificate of Academic Excellence - **Software Design and Development**, 2022.
- Certificate of Academic Excellence - **EALD**, 2022.
- 3rd place in the regional stage of the 5th regional championship «Young Professionals» World Skills Russia in the competence «**Manufacturing prototypes**», 2019.
- 2nd place in the 5th regional championship «Young Professionals» World Skills Russia in the competence «**Manufacturing prototypes**», 2019.
- Completion of the course «**Internet of Things. Web programming of Physical Objects**» 2019. Successful achievement of course objectives and demonstration of professional excellence.
- Completion of the course "**C Programming. Level 1**" 2016-2017.

WORK EXPERIENCE

Process Worker

November 2023 - February 2024

AWX, NSW, Sydney

Skills developed: Clear and concise communication, attention to detail, flexibility and adaptable to changing work conditions, ability to work independently and take initiative.

Software Engineering Simulation Internship

November 2023

Wells Fargo, Remote internship

- Developed proficiency in creating and understanding database structures through ER diagrams.
- Successfully applied my Java knowledge to enhance a critical script, demonstrating practical programming ability.

Skills developed: **Java, Git, SQL / MySQL**
